CO-TOUR
EVENT INVITE!

Join Milwaukee SPE & Chicago SPE for a Feb 23rd CO-TOUR Event at Rainbow Color, Inc. in Elgin Illinois

February 23, 2023 6:00-8:00 pm

SPE Milwaukee and Chicago Sections invite you to join us for a Plant Tour, Networking and Dinner Event at Rainbow Colors Inc., on Thursday, 2/23 from 6:00PM to 8:00PM CST. See the latest technical developments and processing capabilities of Rainbow Colors Inc., in their newly renovated facility in Elgin IL. Capacity is limited so sign up as early as possible. SPE Milwaukee, SPE Chicago, and Rainbow Colors Inc., reserves the right to refuse members, non-members, or guest attendance for this event.

The wait is over! After more than 18 months of construction, Rainbow Colors is finally operating in a new renovated manufacturing facility in Elgin, IL. Rainbow Colors produces quality colorants for a variety of polymers with superior service and unmatched customer support. Quality driven manufacturing procedures guide our employees to produce our products properly and defect-free. Our experienced and highly educated technical team, make sure that our formulations provide smooth processing that comply with your specific regulatory needs. We encourage open communication with customers and vendors to confirm our understanding aligns with your strategy. Rainbow continues to improve current techniques and product offerings through the constant research of market trends and innovative industry developments. These steps ensure we sustain a high level of manufacturing, all while striving to provide a safe and effective work atmosphere for our team. We are committed to being a leader in the industry, and your number one trusted resource for color concentrate.
