July 11th Golf Outing Highlights!

Thank you to all that participated in the 2016 Milwaukee SPE Golf Outing.

This year we had 231 golfers and 240 for dinner! It was the largest turn out in quite some time. The River Club of Mequon did a spectacular job providing us with good service, weather and nice greens. Getting out to the holes in the morning in was a little hectic, but it seemed to have been figured out by the second hole.

We are very fortunate here in Wisconsin to have strong support from the Plastics industry. Without the support from these companies, the golf outing would not be what it is today. We are extremely grateful this event is looked upon as one of the premier SPE Golf Outings in the nation. Other sections have called and asked what the secret to our success is. I always respond with "Our Wisconsin members make it all happen!"

Prizes!

I am sure most people will agree that the prizes given at the dinner raffle are a huge draw. Golf clubs, TV's, kayaks, outdoor equipment and clothing are just a few of the things given away.

We hope everybody had a great time at the event. If you missed it this year but would like to be included next year, please keep the second Monday in July 2017 open for the event. This year we had the misfortune of turning people away because we had reached course capacity.

Once again, big Thank You to all who attended and who supported us in another great golf outing. Also, a big thank you to the River Club of Mequon and all its staff for another great event. Please consider them in the future for any corporate or personal events you may have. They can be found at: www.riverclubofmequon.com
