

2019 Election Board Nominations

Attention Milwaukee SPE Members,

As an SPE member, this is one way for you to participate to improve the organization you belong to!

Consider running for one of four board positions open.

Any current SPE member can run for a position on the board. All they need to submit is a brief biography. The individual positions are actually elected on the board themselves. You have to become an elected board member and then after you are elected you can volunteer or be asked to help on a committee. Members will serve for 3 years.

Please send your biography to: milwaukee-spe@gmail.com

The biography must be submitted by Friday, March 29th, 2019.

Elections will be done through an electronic survey and will be completed before April 19th, 2019.

Board member are required to meet once every 2 months and will be asked to participate in areas like:

- Meeting programs
- Judging Youth programs
- Education Foundation
- **Plant Tours**
- Section Education

Sincerely,

Matt Bennett, President

Milwaukee Chapter Society of Plastics Engineers
