

Attention Milwaukee SPE Members,

As a member, this is one way for you to participate to improve the organization you belong to!

Consider running for one of the two opening Milwaukee SPE Board of Directors positions, or one of the three opening positions on the Education Foundation Board of Directors.

Any current SPE member can run for a position on either of the two Boards, and you can be a member of both. To apply, please submit a brief biography and headshot. Positions for the Milwaukee SPE Board are elected by the general Section, while the Milwaukee SPE Board of Directors elect the Education Foundation Board members. Milwaukee SPE Board members will serve for a term of 3 years, while Education Foundation Board members will serve a term of 2 years. Both terms begin July 1, 2020.

Please send your information and which Board you would like to be considered for to: milwaukeespe@gmail.com

The submission deadline is Friday, March 27, 2020.

Elections to the Milwaukee SPE Board will be done through an electronic survey before April 17th, 2020.

Education Foundation Board members will be elected at the May 12, 2020 Milwaukee SPE Board meeting.

Milwaukee SPE Board members meet once every two months while Education Foundation Board members meet at least once per year. Members are expected to engage and actively support spreading knowledge, strengthening skills, and promoting plastics in Wisconsin.

Sincerely,
Todd Menna, Ph.D.
President, Milwaukee SPE
